Daniel Pearl World Music Days was created in response to the 2002 kidnapping and murder of *Wall Street Journal* reporter and Stanford University graduate Daniel Pearl at the hands of extremists in Karachi, Pakistan. Daniel's family and friends came together to work toward a more humane world, forming the Daniel Pearl Foundation. The mission of the foundation is to promote cross-cultural understanding through journalism, music, and innovative communications. For more information, visit www.danielpEARL.org.
